# A campus that feels like family

Bright International College, Township, Lahore — where professional degrees meet personal attention.

Bright International College (BINC) is a career-focused institution in the heart of GECHS Township, Lahore, offering three high-demand professional degrees: **Pharm-D**, **Doctor of Physical Therapy (DPT)** and **BS Computer Science (BSCS)**. Our mission is simple — make quality professional education accessible, affordable and genuinely career-building for every student who walks through our gates.

Small classes mean our faculty knows every student by name. Modern laboratories, structured hospital rotations and industry mentorship ensure that learning never stays limited to textbooks. Whether you dream of wearing a pharmacist's coat, running a rehabilitation clinic, or building the next great software product, Bright gives you the environment, the mentoring and the confidence to get there.

We are equally proud of our **social welfare commitment**: through the welfare foundation (PWWF), eligible welfare workers and their families receive complete admission support — because we believe financial circumstances should never stand between a hardworking family and a professional education.

# Choose your professional degree

Three career-focused programs — each combining strong academics with practical, real-world training.

## Pharm-D

Doctor of Pharmacy

Pharm-D is a five-year professional doctorate that trains you to become a licensed pharmacy professional — from the science behind medicines to hands-on patient care in hospitals and community pharmacies. Graduates step into one of healthcare's most trusted and consistently in-demand professions.

### WHO CAN APPLY

- Intermediate (FSc Pre-Medical) or equivalent qualification
- Original academic documents — Matric & Intermediate certificates
- CNIC / B-Form and recent passport-size photographs

### THE FIVE-YEAR JOURNEY

- Year 1**     Anatomy, physiology & pharmaceutical chemistry foundations
- Year 2**     Pharmacology & pharmaceuticals — how drugs work and are formulated
- Year 3**     Pharmaceutical technology & medicinal chemistry
- Year 4**     Clinical, hospital & community pharmacy practice
- Year 5**     Clinical rotations, research project & professional internship

### CAREER PATHWAYS

Community Pharmacist

Hospital Pharmacist

Pharma Industry

Research

# BRIGHT INTERNATIONAL COLLEGE

— Excellence in Education —

Doctor of Physical Therapy

YOUR 5 YEARS  
STARTS HERE!

QUALITY EDUCATION TODAY  
LEADERS TOMORROW

DPT is a five-year clinical doctorate focused on physical rehabilitation. Students learn to assess, diagnose and treat movement disorders through evidence-based therapy — in hospitals, sports settings and private practice. Training combines modern rehabilitation laboratories with supervised clinical placements from the early years onward.

## WHO CAN APPLY

- Intermediate (FSc Pre-Medical) or equivalent qualification
- Original academic documents — Matric & Intermediate certificates
- CNIC / B-Form and recent passport-size photographs

## THE FIVE-YEAR JOURNEY

- Year 1** Basic medical sciences — anatomy, physiology & kinesiology
- Year 2** Pathology, pharmacology & biomechanics
- Year 3** Therapeutic exercise, electrotherapy & assessment skills
- Year 4** Musculoskeletal, neuro & cardiopulmonary rehabilitation
- Year 5** Supervised clinical internships & research project

## CAREER PATHWAYS

Clinical DPT

Sports Rehab

Rehab Centers

Private Practice

# BRIGHT INTERNATIONAL COLLEGE

— Excellence in Education —

BS Computer Science

## ADMISSIONS

YOU **4 YEARS**  
STARTS HERE!

QUALITY EDUCATION TODAY  
LEADERS TOMORROW

BSCS is a four-year computing degree built around real-world projects. From programming fundamentals to modern artificial intelligence and data science, the program blends strong theory with practical labs, industry mentorship and a final-year project that becomes the centrepiece of your professional portfolio.

### WHO CAN APPLY

- Intermediate (ICS / FSc / ICom / DAE) or equivalent qualification
- Original academic documents — Matric & Intermediate certificates
- CNIC / B-Form and recent passport-size photographs

### THE FOUR-YEAR JOURNEY

- Year 1** Programming fundamentals, mathematics & IT essentials
- Year 2** Data structures, OOP & database systems
- Year 3** Software engineering, operating systems, networks & AI
- Year 4** Specialization electives, final-year project & internship

### CAREER PATHWAYS

Software Engineer

AI / Data Science

Cyber Security

Entrepreneurship

# Education support that changes lives

## 100% Admission FREE for eligible welfare workers

In partnership with the social welfare foundation (PWWF), Bright International College offers complete admission support to eligible welfare workers and their families. This is not a partial discount — it is full support through the admission journey, reflecting our belief that those who serve the community deserve a door into professional education.

Our welfare desk verifies eligibility personally and walks each approved family through every step — documentation, admission and enrollment — with zero stress and zero hidden conditions.

**100% admission support** for eligible PWWF welfare workers

**Personal verification** — visit or WhatsApp the welfare desk

**Guidance at every step** — documents to enrollment

**All three programs** — Pharm-D, DPT & BSCS included

### HOW TO APPLY

## Four simple steps to your seat

The whole journey takes less than two minutes to start — and our team guides you through the rest.

**01**

### Apply Online

Fill the online admission form at [www.binc.edu.pk](http://www.binc.edu.pk) with your details and preferred program. It takes less than two minutes, and you receive a tracking code instantly.

**02**

### Admissions Team Calls You

Our admissions office contacts you on WhatsApp or phone to verify your details, answer questions and guide the next steps — usually the same day.

**03**

### Submit Documents

Bring your academic documents, CNIC/B-Form and photographs to the campus — or send clear scans to us on WhatsApp for pre-verification.

**04**

### Confirm Your Seat

Pay the admission dues, receive your fee schedule and welcome kit — and your Bright journey officially begins.

## DOCUMENTS & FEES

# What you need, what you pay

### Documents required

Bring the originals to campus for verification; copies are retained with your file.

- ✓ Matric certificate & detailed marks sheet
- ✓ Intermediate certificate & detailed marks sheet
- ✓ CNIC or B-Form (student & guardian)
- ✓ Recent passport-size photographs

### Ways to pay

#### Semester-wise

Tuition paid twice a year, at the start of each semester.

#### Easy installments

Split semester dues into monthly installments on request.

#### Welfare — FREE

Eligible PWWF welfare workers study completely free.

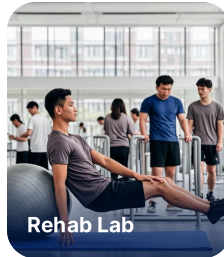

**Fee structure:** exact per-program fees are shared personally by the admissions office, as they are revised each session. WhatsApp **0324-3334977** for today's schedule.

# Where learning comes alive

From the first semester, BINC students learn in spaces designed for practice: a pharmacy lab for hands-on dispenser training, a rehabilitation gym for DPT clinical practice, modern computer labs for coding sessions and AI projects, and a quiet library for study and research. Beyond the classrooms, campus life is warm and community-driven — convocation celebrations, society events and mentorship circles that last well beyond graduation.

## COMMON QUESTIONS

# Frequently asked

### When do Fall 2026 admissions open and close?

Admissions are open now. Seats per program are limited and filled first-come, merit basis — early applicants secure their seats and documents verification comfortably ahead of the session start in September 2026.

### Is the admission really free for welfare workers?

Yes. Eligible social welfare workers registered under the welfare foundation (PWFF) receive 100% free admission support. WhatsApp 0324-3334977 and the welfare desk will verify your eligibility and handle the rest.

### Can I get the fee structure before applying?

Absolutely. Submit the inquiry form or WhatsApp 0324-3334977 and the admissions team will share the complete fee schedule, installment options and any welfare support you qualify for.

### Where exactly is the campus located?

57 Sector A, GECHS Township, near Pindi Stop, Lahore — easily reachable from all parts of the city, with the admissions office open Monday to Saturday, 9:00 AM to 5:00 PM.

### Which programs are offered at Bright International College?

We currently offer Pharm-D (Doctor of Pharmacy, 5 Years), DPT (Doctor of Physical Therapy, 5 Years) and BSCS (BS Computer Science, 4 Years) — all career-focused degrees with practical training built in.

### What documents are required for admission?

Your last academic transcripts/certificates (Matric & Intermediate), CNIC or B-Form, and recent passport-size photographs. Originals are verified at the campus before enrollment.
